PETITION UNDER 37 C.F.R. §1.47

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants submit this petition under 37 C.F. R. §1.47 in the above-identified application. Diligent efforts have been made to locate and reach co-inventor, Mr. Kun Chen, whose last know address is: 9 Fulkerson Street, Apt. #1, Cambridge, Massachusetts 02141. The Technology and Licensing Office at Massachusetts Institute of Technology (MIT), was contacted to locate a current mailing address for Mr. Chen. Further contact was made with co-inventor Ramachandra R. Dasari, Associate Director of the George Harrison Spectroscopy Laboratory at MIT, where the work for the subject invention was conducted, regarding a current mailing address. However, no other address was provided for Mr. Chen.

Dear Mr. Chen:

In connection with the above-identified applications, enclosed for your execution are Declaration and Power of Attorney documents with an attached copy of each respective application as filed.

U.S. Application No.: 09/848,767 Filed: May 4, 2001

Please note that the Declaration requires that the inventors carefully read the patent application in its entirety before signing it. If the application is acceptable, you should sign and date the Declaration in BLUE ink. Please also verify that your typed name and address on the Declaration are correct. Corrections may be indicated in BLUE ink and initialed and dated. The Declaration should be signed while attached to the application, the application cannot be changed after the inventors have executed it.

In addition, an Assignment form is enclosed in which each inventor assigns their rights to the invention described therein to the **Massachusetts Institute of Technology**. The Assignment should be signed by you in BLUE ink in the presence of a Notary Public.

Separate documents are being forwarded to the co-inventors for execution.

International Application No.: PCT/US01/14643 Filing Date: 04 May 2001

Please sign and date the Power of Attorney document while attached to the application, and the application cannot be changed after the inventors have signed it.

Separate documents are being forwarded to the co-inventors and applicant for execution.

Thank you for your time and consideration in this matter. If you have any questions or comments please do not hesitate to call.

Very truly yours,

A handwritten signature in cursive script, appearing to read "Tom".
